Dr. Songer,

Please find attached the response to your letter received by my office on February 18, 2026. In my previous email, I said I received the letter on February 23. I was out of the office between February 18-20, so I did not get the letter until that Monday, February 23. After reading the letter, I shared it with Paulette Dean from the Danville Area Humane Society, who provided me the response on March 2.

I apologize for the delay in forwarding it to you.

Take care,

Ken

Subject: Inspection Report

Dr. Songer,

I am writing to confirm that I received your letter dated February 3 on February 23. I realize my response may be considered late, and I apologize for the delay. I plan to send you the requested information later this evening and hope that timeline is acceptable. I appreciate your understanding, as I have recently had a number of commitments that have monopolized my time.

Ken
